Condition      extra film back

A vintage camera, possibly a rangefinder, is shown next to its open leather carrying case. The camera is silver and black with a large lens. The case is brown leather and contains various accessories like lenses, filters, and a strap. A small cylindrical object, likely a lens cap or filter, lies on the surface next to the camera.

Condition	Satchel Case,
-----------	---------------

A collection of vintage cameras and accessories. In the background is a large, black bellows camera with a strap. In the foreground is a silver rangefinder camera with a lens attached. To the left of the rangefinder is a black and silver film magazine or back. To the right is a small, cylindrical metal container, possibly for film or lenses.

Condition      Extra film back+case

A vintage Kodak rangefinder camera, likely a Kodak Retina, is shown. It has a silver body with black leatherette covering the top and sides. A black leather strap is attached to the top. The camera is positioned next to its silver lens cap. The background is a plain, light-colored surface.
